

In the name of God  
Report of academic and research activities of faculty members  
Curriculum Vitae of Dr Abbas Allami

\* CURRENT AFFILIATION

Associate professor in Infectious Diseases, Shahid Babaee Medica School / Bu-Ali Hospital, Qazvin University of Medical Sciences

**Surname:** Allami, **Name:** Abbas **Date of Birth:** 1974 **Place of Birth:** Tehran **Employment:** 2006  
**Mobile number:** 09127851389 **Email Addresses:** [allami@qums.ac.ir](mailto:allami@qums.ac.ir), [allami9@yahoo.com](mailto:allami9@yahoo.com), [abbas.allami9@gmail.com](mailto:abbas.allami9@gmail.com)

**\* Education**

N	Last degree (specialty,...)	The last degree	University name	University		Term of education		Date of certification
				City	country	From	until	
1	MD	General Medicine	Qazvin University of Medical Sciences	Qazvin	Iran	1993	2000	2000
2	Specialty	Infectious disease and tropical medicine	Shahid Beheshti Medical Sciences	Tehran	Iran	2002	2006	2006
3	Masters	Medical education	Medical Sciences of Tehran	Tehran	Iran	2011	2014	2014

**\*Theses**

N	Thesis title	General Medical Doctor	Place	Colleagues	Position in connection with thesis
1	Comparison of three site of temperature recording in infants, children and adults	✓	Qazvin University of Medical Sciences	Abbas Allami, Navid Mohammadi	Supervisor
2	Prevalence of positive PPD test in two age groups of 16-60 and 40-50 years in Zia Abad (Qazvin) in 2008	✓	Zia Abad city Qazvin	Abbas Allami, Navid Mohammadi	Supervisor
3	Occupational HBV Exposure of Nurses And prevention	✓	Qazvin University of Medical Sciences	Abbas Allami, Navid Mohammadi	Supervisor
4	Clinical and laboratory signs and management of patients with suspected septic arthritis	✓	Qazvin University of Medical Sciences	Abbas Allami- Navid Mohammadi	Supervisor
5	Diagnosis and causes of hospitalization in the psychiatric ward of the 22 Bahman hospital of Qazvin in 2008	✓	Psychiatric Hospital ,22 Bahman Qazvin	Mohammad Fallahzadeh, Abbas Allami	Advisor
6	Coronary stenosis severity based on lipoproteins level and demographic factors in 492 hospital patients of Qazvin Bu-Ali Sina and Sajjad Tehran in 2009	✓	Bu-Ali Sinai Hospital Qazvin and Hazrat Sajjad Hospital Tehran	Morteza Ebrahimi, Abbas Allami	Advisor
7	Comparison of bone density at jaw points using software Cone Beam CT Computed Tomography	✓	Faculty of Dentistry, Qazvin University of Medical Sciences	Maryam Tonfangchiha, Farhad Aqmasheh, Abbas Allami	Advisor

## Theses

N	Thesis title	General Medical Doctor	Place	Colleagues	Role in dissertation
8	Evaluation of tissue eosinophilia in head and neck squamous cell carcinoma and dysplastic epithelium	✓	Faculty of Dentistry, Qazvin University of Medical Sciences	Sedighah Rahro Taban, Poopak Masoumi, Abbas Allami	Advisor
9	A Survey on the Knowledge, Attitude and Practice of Medical Students on Compliance with Standards precaution in 2008	✓	Bou-Ali Sina	Amena Barikani, Abbas Allami	Advisor
10	Association of nightmares with anxiety and depression in medical students	✓	Qazvin University of Medical Sciences	Seyed AliReza Haj Seyed Javadi, Abbas Allami	Advisor
11	The effect of opium on severity, mortality and complications of heart attacks	✓	Bou-Ali Sina	Hamid Reza Javadi, Abbas Allami	Advisor
12	Etiology of deep venous thrombosis (DVT) in patients admitted to the surgical ward of Shahid Rajaei Hospital in Qazvin from 2004 to 2009	✓	Faculty of Medicine, Qazvin University of Medical Sciences	Hossein Parsa, Abbas Allami	Advisor
13	Fascin presentation in pleomorphic adenoma and mucoepidermoid carcinoma	✓	Faculty of Dentistry, Qazvin University of Medical Sciences	Popak Masoumi, Abbas Allami	Advisor
14	The correlation between digital and conventional lateral cephalometric radiography in angular measurements using software Dolphin Imoging 10	✓	Faculty of Dentistry, Qazvin University of Medical Sciences	Niloofar Azami, Maryam Tofangchiha, Abbas Allami	Advisor
15	Tissue eosinophilia in cervical cancer by staining Luna	✓	Faculty of Dentistry, Qazvin University of Medical Sciences	Sedighah Rahro Taban, Poopak Masoumi, Abbas Allami	Advisor

## Theses

N	Title	General Medical Doctor	Place	Colleagues	Role in dissertation
16	Prevalence of immunity against hepatitis B in students of medical sciences in Qazvin	✓	School of Medicine Qazvin	<u>Abbas Allami</u> , Navid Mohammadi	Supervisor
17	Familiarity with the profession of Qazvin medical school students	✓	School of Medicine Qazvin	Navid Mohammadi, <u>Abbas Allami</u>	Advisor
18	Study the characteristics of patients with renal failure due to rhabdomyolysis methadone poisoning in the context of the emergency and the internal Qazvin in 2013 to 2015	✓	School of Medicine Qazvin	Seyed Mustafa Mirrakbari, <u>Abbas Allami</u> , Maliheh Charkhchian, Mohammad Reza Kaveh	Advisor
19	lipid serum in ESRD patients of hemodialysis center of Bu-Ali Sina hospital	✓	School of Medicine Qazvin	Maliha Charkhchian, Fatima Haj Manouchehri, <u>Abbas Allami</u>	Advisor
20	The effect of omega -3 administration on false positive of tuberculin skin test	✓	School of Medicine Qazvin	<u>Abbas Allami</u>	Supervisor
21	Comparison of two Iranian honey and diphenhydramine with the night's cough and sleep quality of children and their parents	✓	School of Medicine Qazvin	Parviz Ayazi, <u>Abbas Allami</u> , Abolfazl Mahyar	Advisor
22	Comparison of clinical implications of intracoronary administration of Epiptifide against its intravenous administration on Primary PCI in patients with STEMI	✓	School of Medicine Qazvin	Morteza Ebrahimi, Mohammad Fotouhi, <u>Abbas Allami</u>	Advisor
23	Prevalence and variety of personality traits among students of School of Music in Tehran and Qazvin based on million 3 test	✓	School of Medicine Qazvin	Farhad Shamloo, <u>Abbas Allami</u>	Advisor
24	Review of the the amount Annette the wind of the the children of the Pot of on the D referring to the total of those of a node to the hospital Quds Qazvin of the year 2010-2009	✓	School of Medicine Qazvin	Fatemeh Safari, <u>Abbas Allami</u>	Advisor

**Theses**

N	Title	Level		Place	Colleagues	Role in dissertation
		MPH	Master			
25	The Effect of Professors Empowerment Program on Quantitative and Qualitative Indicators of Qazvin University of Medical Sciences Promotion Exam		✓	Shahid Beheshti University of Medical Sciences	Soleiman Ahmadi, <u>Abbas Allami</u>	Advisor
26	The attitudes of general practitioners about the effectiveness of programs of continuing education	✓		School of Public Health, Qazvin University of Medical Sciences	<u>Abbas Allami</u> , Mahnaz Abbasi	Supervisor

## Theses

N	Title	Residency	Place	Colleagues	Role in dissertation
27	Determination of the Effect of Zinc Sulfate Supplementation on the Outcome of Acquiring Pneumonia Treatment in hospitalized Patients	✓	School of Medicine Qazvin	<u>Abbas Allami</u>	Supervisor
28	Change ESR in urinary tract infection	✓	School of Medicine Qazvin	<u>Abbas Allami</u>	Supervisor
29	Management of patients suspected to meningitis and encephalitis and examine the reasons of lumbar puncture delay	✓	School of Medicine Qazvin	<u>Abbas Allami</u>	Supervisor
30	Evaluate the effectiveness of treatment for desensitization through eye-opening and processing of drug treatment compared with drug therapy only in obsessive-compulsive	✓	School of Medicine Qazvin	Seyed Alireza Haj Seyed Javadi, Mohammad Ibrahim Sarichello, <u>Abbas Allami</u>	Advisor
31	The effect of omega -3 administration on tuberculin skin test in admitted patients in bootali hospital Qazvin	✓	School of Medicine Qazvin	<u>Abbas Allami</u>	Supervisor
32	Effect of levothyroxine on memory impairment on electric shock in bipolar patients	✓	School of Medicine Qazvin	Farhad Shamloo, Hossein Javdani, <u>Abbas Allami</u>	Advisor
33	The Impact of Family Group Training on Relapse Rate and Duration of Hospitalization in Patients with Bipolar I Type I	✓	School of Medicine Qazvin	Mohsen Zamir, Seyed AliReza HajSeyed Javadi, <u>Abbas Allami</u>	Advisor
34	The effect of memantine on negative symptoms in schizophrenia	✓	School of Medicine Qazvin	Farhad Shamloo, Hossein Javdani, <u>Abbas Allami</u>	Advisor
35	Determine Normalized protein catabolic rate (NPCR) in chronic dialysis patients in Bou Ali Sina Hospital Qazvin / Relationship of NPCR with serum albumin, serum bicarbonate, quantitative CRP and Mid-Upper Arm Circumference (MUAC)	✓	School of Medicine Qazvin	Maliheh Charkhchian, <u>Abbas Allami</u> , Neda Nasirian	Advisor
36	The prevalence of colonization of methicillin-resistant Staphylococci in health care workers of different departments of Qazvin hospitals in 2016	✓	School of Medicine Qazvin	<u>Abbas Allami</u> , Fatemeh Haj Manoochehri	Supervisor

## Theses

N	Title	Level	Place	Colleagues	Role in dissertation
		Residency			
37	The study of the protective effect of furosemide administration in combination with complete hydration in preventing contrast nephropathy after coronary angiography in patients with chronic renal failure referring to Boali Sina hospital in Qazvin during 2017-2014	✓	School of Medicine Qazvin	Mohammad Mahdi DaYi, Maliha Charkhchian, <u>Abbas Allami</u>	Advisor
38	Comparison of systolic and diastolic function of the left ventricle and right ventricular systole in the patients of Slow Coronary Flow and Normal Coronary Flow	✓	School of Medicine Qazvin	Hamid Reza Javadi, Mahdokht Rezaee, Majid Haj Karimi, Abbas Allami	Advisor
39	Comparison of the prevalence of opium addiction in males slow coronary flow and normal coronary flow	✓	School of Medicine Qazvin	Hamid Reza Javadi, Seyed Mostafa Mir Akbari, <u>Abbas Allami</u>	Advisor
40	The prevalence of thyroid disorders in patients with amiodarone treated arrhythmias in Bouali hospital Qazvin between 2015 and 2017	✓	School of Medicine Qazvin	Sima Sayyah, <u>Abbas Allami</u>	Advisor
41	Determination of the effect of steroid therapy on recurrence rate of PVC in the short period (three months) after ablation in patients referred to the electrophysiology clinic of BouAli Sina Hospital in Qazvin 2017-2016	✓	School of Medicine Qazvin	Sima Sayyah, <u>Abbas Allami</u>	Advisor
42	Clinical study of pathogens affecting diabetic foot infections in Qazvin	✓	School of Medicine Qazvin	Hamid Reza Najari, Reza QasemiBarqi, <u>Abbas Allami</u> , Hossein Parsa	Advisor
43	Relationship between cholesterol levels and the prognosis of severely infectious patients (sepsis)	✓	School of Medicine Qazvin	Abbas Allami, Reza Qasemi Barqi	Supervisor
44	Evaluation of etiopathological and antibiotic susceptibility of urinary tract infections in patients admitted to hospitals affiliated to Qazvin University of Medical Sciences in year 2017	✓	School of Medicine Qazvin	Reza QasemiBarqi, <u>Abbas Allami</u>	Advisor
45	Investigating the effect of time interval between injection of anesthetic substance and electrical induction of the brain on the effectiveness of treatment of electrical convulsions	✓	School of Medicine Qazvin	Seyed Ali Reza Haj Seyd Javadi, Hamid Kayalha, Abbas Allami	Advisor

**\* ACADEMIC HONORS AND AWARDS**

N	Title	Kind of	Donor Reference	Colleagues	Side with
1	Top Educational Process	Appreciation letter	Chancellor of Qazvin University of Medical Sciences	Abbas Allami, Majid Sarrehshdari, Fariba Derakhshan, Fatemeh Safdari	Presenter
2	Head of educational Hospital	Appreciation letter	Chancellor of Qazvin University of Medical Sciences	Abbas Allami	Head of the hospital
3	Perfect master 2012	Appreciation letter	Chancellor of Qazvin University of Medical Sciences	Abbas Allami	Perfect master
4	Perfect master 2016	Appreciation letter	Chancellor of Qazvin University of Medical Sciences	Abbas Allami	Perfect master

**\*Scholarship of teaching:**

N	Title	Location of use	Date	Place of publication
1	Participation in the fourth Student Olympiad in the Medical Ethics field	Qazvin University of Medical Sciences	2012	Center for the Study of Medical Education Education
2	The combination of electronic and traditional teaching in the Department of Epidemiology	Faculty of Medicine, Qazvin University of Medical Sciences	2009 -2008 (five courses)	Journal of Research in Medical Education, Spring 2010 and Association for Medical Education in Europe (AMEE) Short Communication September 4-5, 2010 "Combination of training on search the Internet and diseases: Experiences from Qazvin University of Medical Sciences" Glasgow, UK
3	Implementation of integration in physiopathology course	Faculty of Medicine, Qazvin University of Medical Sciences	2009	Journal of Medicine and Cultivation Special Issue of the Eleventh National Conference on Medical Education Journal of Research in Medical education, Autumn 2011
4	course Plan of Epidemiology (infectious and non infectious) (MPH)	School of Public Health	2010-2008	University website
