

NAVID MOHAMMADI, MD, MPH

Physician, Academic staff, Public health professional, Preventive medicine practitioner and consultant

E-mail: navid.mohammady@utoronto.ca, navid.mohammady@gmail.com

LinkedIn: <https://www.linkedin.com/pub/navid-mohammadi/29/854/344>

* EDUCATION

- **Fellowship**, Simulation and medical education, Faculty of Medicine, University of Ottawa, Ottawa, Canada, 2015.
- **Residency**, Community and Preventive Medicine, Tehran University of Medical Sciences, Tehran, Iran, 2006.
- **Master of Public Health (MPH)**, Tehran University of Medical Sciences, Tehran, Iran, 2004.
- **Medical Doctorate (MD)**, Mashhad University of Medical Sciences, Mashhad, Iran, 1996.

* THESES

- Mohammadi N (2005), Determination of research priorities in educational departments of faculty of medicine. Tehran University of Medical Sciences.
- Mohammadi N (1996), Investigation on early complications of acute myocardial infarction (AMI) in hospitalized patients of Gha'em Hospital in a five years period (1991-96), Mashhad University of Medical Sciences.

* CURRENT POSITION AND AFFILIATIONS

- **Associate Professor**, Department of community and family medicine, Qazvin (Ghazvin) University of Medical Sciences, Qazvin, Iran.
- **Preventive Medicine and Public Health Research Center** (Board of founders and senior researcher), Iran University of Medical Sciences, Tehran, Iran.
- **National Iranian Council of MD Program in Iran** (Technical committee and senior consultant), Ministry of Health and Medical Education. Iran.
- **National Iranian Board of Examiners**, Community medicine residency program, Ministry of Health and Medical Education. Iran.

* VOLUNTEER EXPERIENCE:

- Education researcher volunteer, Center for Faculty Development, St. Michael's Hospital, Toronto, Canada. 2011

* HIGHLIGHTS OF ACADEMIC WORK PROFICIENCY

- Working in preventive medicine clinic on prevention of non-communicable disease including diabetes, hypertension and cardiovascular diseases (collaborative programs with internal medicine and endocrinology wards).

- Skilled research methodologist
- Advanced skills of statistical analysis using SPSS, STATA, G*Power, etc.
- Well-known educator: Training of Trainers (TOT) workshops (medical education, clinical and community research methodologies topics) for faculties of different backgrounds across the country
- Senior consultant and member of board of curriculum development and revision of integrated MD program, and community and preventive medicine residency program in Iran
- Designing and participation in public empowerment and informing programs as well as decision-makers' workshops about public health and health care system functions.
- Outstanding abilities of making communication with colleagues in different levels and working in multi-cultural environments
- Highly skilled to work with multitasking environments and under-pressure situations

*** TEACHING INTERESTS:**

- Preventive and family medicine
- Public health
- Social Determinants of Health (SDH)
- Clinical epidemiology
- Biostatistics
- Medical education
- Research methodology

*** RESEARCH INTEREST:**

- **Community and population medicine:**
 - Non-communicable disease and their risk factors especially obesity
 - Quality of life in chronic diseases
 - Clinical epidemiology
 - Children safety: epidemiology, determinants, and consequences
 - Health literacy assessment for chronic (NCD) disease patients
 - Social determinants of health (SDH) especially adolescents and young adults
 - Epidemiology of non-communicable diseases
 - Evidence-based health-care
 - Hospital re-admission: determinants, current situation, and interventions for reduction
 - Cost of care
- **Medical education:**
 - Simulation-based education
 - Professionalism in medical students and residents
 - Assessment methods in clinical medicine

* LANGUAGES

- **English:** Full professional proficiency
- **Persian:** Native language proficiency
- **Arabic:** Moderate proficiency
- **French:** Elementary proficiency

* PREVIOUS AFFILIATIONS AND WORK EXPERIENCES

- **Associate professor**, Department of Community and Family Medicine, Faculty of Medicine, Iran University of Medical Sciences, Tehran, Iran. October 2013 to August 2014.
- **Assistant professor** in community and preventive medicine, Faculty of medicine, Tehran University of Medical Sciences, Tehran, Iran. February 2009 to October 2013.
- **Assistant professor** in community and preventive medicine, Faculty of medicine, Qazvin University of Medical Sciences, Qazvin, Iran. November 2006 to February 2009.

* HIGHLIGHTS OF PROFESSIONAL EXPERIENCE

- Associate dean, Social determinants of health (SDH) research center, Qazvin University of Medical Sciences, Iran; May 2012 to August 2014.
- Vice-chief of Education Development Center, Iran University of Medical Sciences, Tehran, Iran, 2009 to 2010
- Head of Education Development Center, Qazvin University of Medical Sciences, Qazvin, Iran 2007 to 2009
- Head of CME Office, Qazvin University of Medical Sciences, Qazvin, Iran, 2007 to 2009.
- Vice-chancellor in Rehabilitation Affairs, Welfare Organization of Qazvin Province, Qazvin, Iran, 1999 to 2001

* PUBLICATIONS IN PEER REVIEWED SCIENTIFIC JOURNALS

A. Papers in English:

1. Khezri MB , Delkhosh Reihany M , Dabbaghi Ghaleh T, *Mohammadi N*. **Effect of Melatonin on Blood Loss After Cesarean Section: A Prospective Randomized Double-Blind Study**. The Journal of Obstetrics and Gynecology of India. Accepted for publication on 03 Feb 2019.
2. *Mohammadi N*, Rahban H, Allami A. **Medical residents' attitude toward professionalism and assessment of their professional behaviors: a cross-sectional survey**. Research and Development in Medical Education. June 30, 2018. 7(1): 43-51.
3. Khezri MB, Mosallaei M, Ebtehaj M, *Mohammadi N*. **The preemptive effect of intravenous ketorolac versus meperidine on postoperative shivering and pain in patients undergoing cesarean section: a prospective randomized double-blind study**. Caspian Journal of Internal Medicine. 2018; 9(2): 151-157.

4. Allami A, Rohban H, *Mohammadi N*. **Attitudes toward Medical Professionalism and Professional Medical Practices in Medical Students of Qazvin**. Journal of Medical Education Development, 2017. 10(26): 164-174.

*** PRESENTATIONS IN CONGRESS AND SEMINARS (PRESENTER OR CO-AUTHOR)**

1. Evaluation of prenatal hydronephrosis and its outcome at the end of neonatal period in Ghazvin province. 21st annual congress of Iranian society of pediatric surgeons. May 5-8; 2013, Tehran, **Iran.**
2. Evaluation of integration in pathophysiology level of medical education program in Qazvin Medical School. 14th national congress of medical education. April 29-May 2; 2013, Tehran, **Iran.**
3. Evaluation of laboratory teaching in Qazvin Medical School. 14th national congress of medical education. April 29-May 2; 2013, Tehran, **Iran.**

4. Predictive validity of basic science comprehensive exam for scholastic achievements of students of Qazvin Medical School. 14th national congress of medical education. April 29-May 2; 2013, Tehran, **Iran**.
5. Horizontal integration of dermatological pathology and semiology in pathophysiology level of Qazvin University's medical education program. 14th national congress of medical education. April 29-May 2; 2013, Tehran, **Iran**.
6. Validation of a Persian version of the Quality of Life in Epilepsy Inventory-31 (QOLIE-31). Third North American Congress of Epidemiology. June 21-24; 2011, Montreal, **Canada**.
7. Epidemiological aspects of deliberate self-poisoning in adolescents: a hospital-based study in Tehran. Third North American Congress of Epidemiology. June 21-24; 2011, Montreal, **Canada**.
8. Epidemiological aspects of occupational percutaneous injuries among nurses in Qazvin, Iran. Third North American Congress of Epidemiology. June 21-24; 2011, Montreal, **Canada**.
9. Epidemiology and risk factors of needle stick injuries among nurses in Bou-Ali Sina Teaching Hospital. Twenty-second annual congress of Iranian Society of Internal Medicine. May 12-15; 2011, Tehran, **Iran**.
10. Understanding the Nature and Impact of Faculty Development: A Systematic Review. First International Conference on Faculty Development in the Health Professions. May 10-13 2011, Toronto, **Canada**.
11. Iralvex herbal gel and lidocaine gel in recurrent aphthous stomatitis. International/American/Canadian Association for Dental Research, 89th General Session and Exhibition, March 16-19, 2011, San Diego, **USA**.
12. Effect of workshop teaching of faculty's knowledge about student assessment with OSCE in QUMS. International conference in medical education. 4-7 December 2010, Abu Dhabi, **UAE**.
13. Needle stick injury in nurses: knowledge, practice and exposure to hepatitis B. Third international Tehran hepatitis congress. 6-9 October 2010, Tehran, **Iran**.
14. Combination of training on searching the internet and diseases: Experiences from Qazvin University of Medical Sciences. E-Learning symposium of AMEE conference, 4-5 September 2010, Glasgow, **UK**.

15. Evaluation of sleep disorders in narcotic drug abusers under methadone treatment. Fourth congress on biology of addiction, 20 June 2010, Tehran, **Iran**.
16. An assessment tool for the evaluation of medical faculty. 14th Ottawa Conference: Assessment of Competence in Medical and the Healthcare Professions. 15-19 May 2010, Miami, **USA**.
17. Some concepts in education development: qualitative study on experiences of faculties and experts of educational development center. 11th national congress on medical education, 30 April-2 May 2010, Tehran, **Iran**.
18. The opinions of the faculty members of Qazvin University of medical sciences about using private medical centers and clinics in training medical students. 11th national congress on medical education, 30 April-2 May 2010, Tehran, **Iran**.
19. An investigation on the profile of surgical cares in public hospitals of Iran according to WHO program. 34th annual scientific congress of Iranian association of surgeons, 1-5 May 2010, Tehran, **Iran**.
20. Epidemiology of headache in population of Tehran: a population-based study in district eight of Tehran. Second international congress of headache, 21-23 April 2010, Tehran. **Iran**
21. A composition from education of internet search and burden of disease: an experience of Qazvin University of Medical Sciences, 3rd national congress of applications of electronic learning, 2010 Mashhad. **Iran**
22. Thyroid function abnormalities in patients with different severity of liver cirrhosis according to the Child-Pugh classification system, 8th Congress of the European Federation of Internal Medicine. May 2009, Istanbul, **Turkey**.
23. Evaluation of nasal eosinophilia in the diagnosis of allergic rhinitis, 28th congress on the European academy of allergy and clinical immunology, 6-10 June 2009, Warsaw, **Poland**.
24. Assessment of ambulatory teaching in educational centers of Qazvin University of Medical Sciences in 2008-9, 10th congress of medical education, 2009, Shiraz, **Iran**. (the best poster in the congress)
25. Assessment of characteristics of a role model professor based on opinions of faculties of Qazvin University of Medical Sciences, 10th congress of medical education, 2009, Shiraz, **Iran**.
26. Assessment of opinions of faculties of Qazvin University of Medical Sciences about reaching to educational objectives and their motivation for participating in faculty development programs, 10th congress of medical education, 2009, Shiraz, **Iran**.

27. Knowledge and practice of Evidence-based medicine in faculties of Qazvin University of Medical Sciences, 10th congress of medical education, 2009, Shiraz, **Iran**.
28. Assessment of satisfaction of faculties about CME programs in Qazvin University of Medical Sciences, 10th congress of medical education, 2009, Shiraz, **Iran**.
29. Assessment of effects of workshop teaching on knowledge of faculties of Qazvin University of Medical Sciences in field of student evaluation based on OSCE, 10th congress of medical education, 2009, Shiraz, **Iran**.
30. Prevalence of pathogens and antimicrobial susceptibility in urine cultures of patients referred to Avicenna Qazvin teaching center. 10th Iranian national congress of microbiology, April 2009, Ilam, **Iran**.
31. Body Temperature Measurement in Three Different Sites in Infants, Children, and Adults. 17th Iranian Congress of Infectious Diseases, Dec 2008. Tehran, **Iran**.
32. Prevalence of Metabolic Syndrome in Children with High BMI in Clinic of Pediatric Endocrinology in Qazvin, 2007-8. Conference on Nutrition and Physical Activity in Metabolic Disorders and Obesity. Nov 20-21st 2008, Qazvin **Iran**.
33. Integration of Undergraduate Medical Education in Qazvin University of Medical Sciences: A Comprehensive Research for Local Application. International Congress on Implementation of WFME Standards in Curricula of Undergraduate Medical Education. Nov 7-9th 2008, Kish Island, **Iran**.
34. Prevalence of Tuberculosis Infection in Two Age Groups in Zia-Abad, Qazvin. Nineteenth Congress of Tuberculosis, Oct 2008, Zanjan, **Iran**.
35. Deliberate Self-poisoning in Adolescents in Tehran. Eighteenth International Congress of Pediatrics Diseases, Oct 2006, Tehran, **Iran**
