

## Curriculum Vitae

**Dec.2017**

**Full Name: Ali Akbar Hajy Agha Mohammadi MD.**

Associate Professor of Qazvin University of Medical Science

**Address:**

Office Address: Sina Building, Bu-Ali Street, Qazvin - Iran

Office Phone: 0098281 2237944

Home Address: Sepideh alley. Khayyam Street. Qazvin - Iran

Mobile: 00982811067

Postal Code: 34136-73857

Email Address: ahmohammadi@qums.ac.ir

Fax: 00982813339049

### **Post Graduate Education and Training**

1- General practitioner (internships):

**Qazvin University of Medical Science - IRAN: 1995**

2- Specialty (residencies): Internal Medicine:

**Tehran University of Medical Science - IRAN: 1998**

3- Subspecialty (fellowships): Gastroenterology:

**Tehran University of Medical Science - IRAN: 2006**

**Certifications:** internal medicine board:

**Tehran University of Medical Science: 1998**

Gastroenterology board:

**Tehran University of Medical Science: 2006**

### **Academic Appointments:**

Associate professor of Qazvin University of Medical Science (from 1988)

Associate Professor of Qazvin metabolic diseases research center (from 2005)

Head of Internal medicine Ward (2005- 2015)

Head of Endoscopy Unit (from 2005)

Head of Internal medicine department (2008 - 2012)

### **Professional Society Memberships:**

Iran Medical Council NO: 43867 (from 1995)

Iranian association of gastroenterology and Hepatology (from 2003)

Iranian Association of Internal medicine (from 1998)

European association For the Study of the Liver (EASL) (from May 2010)

### **Clinical Activities:**

- 1- Gastrointestinal & Hepatic disorders Clinic (bouali Hospital – Qazvin University of Medical Science)
- 2- Privet Office

**Institutional Service:** Metabolic Disease Research Center of Qazvin university of Medical science (MDRC)

**Teaching Service:** Qazvin University of Medical Science  
Gastroenterology & Hepatology  
(Physiopathology – Extern & Internship – Residency)

### **Publications:**

**A – Book:** Nutrition in Internal medicine (second Edition: 2010 publisher: Qazvin University of Medical science)

#### **B – Articles:**

*Caspian J Intern Med: Q-T interval prolongation in cirrhosis: Relationship and severity*, Vol 9, No3, 2018

Global Journal of Health Science; Predictive Factors of Survival for Upper Gastrointestinal Cancers in Iranian Population. Vol. 9, No. 3; 2017

Global Journal of Health Science; Predicting the Quality of Life in Patients with Gastrointestinal Cancers in Iranian Population. Vol. 9, No. 1; 2017
